Dear Vendors,

The **Juan de Fuca Festival** is a four-day community celebration of Performance Arts including a street fair of artisan goods and food vendors. Our street fair reflects high quality, handcrafted artisan wares and **re-sellers will not be participating in the festival this year**. Space is limited so an early application is prudent.

Artisan vendors - apply with ZAPP.com – a free application which will detail the requirements and fees. Previous ARTISAN vendors will be accepted but you must complete the ZAPP application (with photo requirements waived). Look for the ZAPP LINK button on the website, www.jffa.org under the “Participation” tab.

Food vendors – an application form is available online at www.jffa.org under the “Participation” tab.

Festival Hours - Vendors set up on **Thurs night after 6:00PM** or **Friday morning between 8:00AM -10:00AM** to be open on Friday, May 25th at 11:00AM. Street Fair hours on Friday, Saturday and Sunday are 11:00AM – 7:00PM. Hours on Memorial Day Monday are 11:00AM – 4:30PM.

Vendors that leave before 4:30 on Monday will forfeit their damage deposit.

We look forward to your joining us at the Juan de Fuca Festival and Street Fair. Please note that the festival is over a holiday weekend and special attention should be given to accommodations and travel times. More information is available on our website www.jffa.org, please visit for updates about the Festival and Street Fair.
